ABOUT C.A.C. CHINA

A Tradition of Service, Quality and Value

With a renowned history in tabletop, C.A.C. China has been recognized as a trend leader in the foodservice and hospitality industry for commercial-grade china. Possessing a 100-acre porcelain manufacturing facility in China, we are committed to offering quality products at affordable prices, an extensive selection of patterns and colors, and prompt shipment to meet customers' needs.

C.A.C. China provides durable dinnerware at all levels, including porcelain, fine bone china and stoneware, ideal for tabletop, cooking, baking, serving, food preparation and oven-to-table. Customers can choose from a variety of stylish shapes from square, rectangular, triangular, wavy, funky to round that will brighten up all tables for modern, trendy restaurants, caterers, clubs, hotels, resorts, cruises, etc. We stock 2,800+ items at any time in our New Jersey facility and ship on the same day once orders are confirmed.

Our products are oven-, microwave- and dishwasher-safe (except as noted). They are break-, chip- and scratch-resistance in normal service use. We offer a one-year, edge-chip warranty from the date of purchase. The warranty covers only regular round plates and platters in normal service use in the United States. Other terms and conditions may apply.

C.A.C. China is proud to be the chinaware supplier of four prominent North American buying groups and to collaborate with hundreds of foodservice dealers and chain restaurants nationwide, making our products seen almost everywhere. We are a member of *North American Association of Food Equipment Manufacturers*.

INTRODUCING ELEGANT

Most Valued, Fully-Glazed Dinnerware

C.A.C. China is proud to introduce its newest collection, *Elegant*, the most valued, commercial-grade and fully-glazed dinnerware available in the industry. This collection has been developed to meet the highest standard of elegance, practicability and durability.

Featuring simple, classic design and contemporary fine bone white color, *Elegant* products can be endlessly mixed and matched and will create a combination of value and a high-end look. *Elegant* collection has beautifully glazed foot, English foot or standard foot, ideal for fine dining and catering.

Double fired at a high temperature and fully vitrified, *Elegant* products are porcelain, high alumina and exceptionally resistant to thermal and mechanical shock. Selected *Elegant* items have bead edge that greatly enhances durability and lessens the chance of chipping.

With our versatile, superb *Elegant* collection, chefs can easily enhance food presentation in a cost-effective way and turn every dining occasion into a memorable experience.
