The Ultimate Time Machine™

# 2015

COMMERCIAL  
CATALOG

## ISN'T IT TIME YOU OWNED ONE?

Introducing the Ultimate Time Machine from Sanitaire. In a business where time is money, these commercial grade machines are designed to save labor costs and get more hours out of a business day for Professionals.

# Sanitaire®

Supported/backed by Electrolux (Global Company)

## THE ULTIMATE TIME MACHINE CUT COSTS, NOT CORNERS—

With Sanitaire's wide range of time-saving commercial cleaners.

### Reduce Maintenance Time.

Every minute of downtime hurts your bottom line. That's why we build all our cleaners with insightful design elements that keep them running – not waiting for repair.

### Work in the Day Time.

With the growing trend toward daytime cleaning, a quieter vacuum is a must. At less than 70dBA, the Sanitaire QuietClean® line lets you clean 24/7.

### Save Costs Immediately.

We know you are under pressure to reduce costs. That's why we give you options. From our dust cup models that eliminate the need to purchase and manage bags to our LEED and CRI-certified QuietClean® uprights and backpacks, Sanitaire helps you improve your bottom line.

### Go Green. Keep Air Clean.

Most QuietClean® models include a washable, sealed HEPA filtration system which captures 99.97% of allergens and pollen down to 0.3 microns. All our QuietClean® uprights are CRI certified and our two QuietClean® Backpacks are CRI Gold and CRI Silver certified and meet all LEED requirements.

### Time to Maneuver.

For maneuvering in tight spaces and around obstacles, Sanitaire offers powerful backpack and canister vacuums that are lightweight, portable and comfortable. These come equipped with a wide assortment of accessories and tools that make your cleaning job easier.

### Time to Choose the Best.

Choose from among our fully-featured line of uprights, canisters, floor machines, carpet extractors, auto scrubbers, air movers, sweepers and wet-dry vacuums. There is a Sanitaire cleaner to save you time no matter what your cleaning challenge. Most of all, it's a Sanitaire. Isn't it about time you owned one?

### Sanitaire Sustainability

As part of the Electrolux family of products, Sanitaire is committed to sustainability. DJSI World includes the 10% best-in-class economic, environmental and social performers among the world's largest companies. Electrolux is the only company in the Household Durables category to qualify for DJSI World, where it has been included every year since the index was launched in 1999.

Performance**

# QUIETCLEAN® UPRIGHTS

QuietClean® Uprights are CRI approved, LEED certified and come with the Sanitaire 2 Year Promise of Performance Warranty.

## QuietClean® Dual-Motor Detailer

SC9180

### QuietClean®

67  
dBA

Reach for this dual-motor, low-profile upright with a crevice tool and dusting brush integrated into the telescopic wand.

### Washable Sealed HEPA Filtration

Washable Sealed HEPA filtration means that exhaust is filtered at a rate of 99.97% to capture 0.3 micron particles. 4-quart drop-in dust bag for easy changing.

### Quick Change Cord

Quick Change cord means you can replace a damaged cord rather than a vacuum.

### Power

11.3 amps; 1380 watts; 119 CFM; 67 dBA

## QuietClean® Dual-Speed Heavy Duty

SC889

69  
dBA

### QuietClean® plus High/Low Power Control

Reach for this dual-speed, low-profile upright that lets you clean day or night with a sound level of just 69 dBA.

### Allergen Filtration

Exhaust is filtered at a rate of 96.75% to capture 0.3 micron particles. 6.1-quart, dual-zipper bag for easy access bag changing.

### Brushroll with Replaceable Bristle Strips

Chrome, double ball-bearing brushroll with replaceable bristle strips means you save on maintenance costs.

### Power

6.5 amps; 840 watts; 145 CFM; 69 dBA

13" Cleaning Path

SC5845

15" Cleaning Path

SC5745

13" Cleaning Path

## QuietClean® Bagged

SC5815 & SC5713

### Clean Any Time with QuietClean®

When noise reduction and air quality are the priorities, reach for this large-diameter, 10-foot stretch hose upright that includes a crevice tool and dusting brush.

### Washable Sealed HEPA Filtration

Washable Sealed HEPA filtration means that 100% of the cleaner exhaust is filtered at a rate of 99.97% to capture 0.3 micron particles. 4.5-quart dust bag for easy bag changing.

### Power

10 amps; 1200 watts; 135 CFM; 69 dBA

## QuietClean® Dust Cup Upright

SC5845 & SC5745

### Clean Any Time with QuietClean®

When noise reduction and air quality are high priorities, reach for this large-diameter, 10-foot stretch hose upright that includes a crevice tool and dusting brush.

### Washable Sealed HEPA Filtration

Washable Sealed HEPA filtration means that 100% of the cleaner exhaust is filtered at a rate of 99.97% to capture 0.3 micron particles. 3.5-quart easy-empty dust cup.

### Power

10 amps; 1200 watts; 135 CFM; 69 dBA

# GREEN CLEAN UPRIGHTS

Green Clean Uprights are CRI approved and come with the Sanitaire 2 Year Promise of Performance Warranty.

## Lightweight Durable Workhorse

SC9050

### Lightweight Durability

At just 10.7 lbs. this Workhorse upright is built for durability with a magnesium handle yolk. The wide air path resists clogs and larger wheels glide over floors smoothly.

### Easy-Access Dual-Zipper Bag

The dual-zipper bag case and easy-access clip make the dust bag a cinch to change, and the 6.6-quart capacity means you change less often.

### Quick Change Cord

The 30' Quick Change Cord lets you replace the cord, if damaged, instead of the vacuum.

### Power

5 amps; 600 watts; 120 CFM

## Chrome Hood High-Filtration Workhorse

SC888

### Durable Design, Extended Motor Life

Re-engineered motor includes integrated bearings and an enclosed carbon brush system. Motor life is more than double our previous long-life version.

### Easy-Access, Dual-Zipper 6.1 Qt Bag

The dual-zipper bag case and easy-access clip make the dust bag easy to change.

### Quick Kleen Fan Chamber

The clear-cover fan chamber lets you view, service or access the impeller fan without removing the motor, reducing maintenance time.

### Power

7 amps; 840 watts; 145 CFM

## Durable High Filtration Workhorse

SC688

### Durable Design, Extended Motor Life

Re-engineered motor includes integrated bearings and an enclosed carbon brush system. Motor life is more than double our previous long-life version.

### Easy-Access, Dual-Zipper 6.1 Qt Bag

The dual-zipper bag case and easy-access clip make the dust bag easy to change.

### Power

7 amps; 840 watts; 145 CFM

## Lightweight Dual Motor

SC785

### Drop In Bag

The drop-in bag design makes for easy changing of the 3-quart capacity dust bag.

### Onboard Tools & Folding Handle

The stretch attachment hose and dusting brush let you clean high and low as you vacuum. The folding handle allows for easy storage.

### Power

6.5 amps; 780 watts; 78 CFM

# WIDE AREA VACUUM

## Wide Area Motorized Sweeper

SC6093

### 28" Cleaning Path

Reduce your cleaning time by nearly half that of standard vacuum cleaners.

### 7 Gallon Disposable Dust Bag

Means fewer interruptions to change the bag.

### 5 Height Adjustment Levels

Lets you quickly transition to different cleaning surfaces so that dirt can't hide.

### Power

163 CFM; .62 hp/120V; Brush Speed - 3,200 rpm

# SHAKE OUT BAG UPRIGHTS

High Capacity Reusable Bag uprights save money with the no-tools, bag-release system. The metal bag clip is simple to remove and makes emptying easy. The 18-quart capacity lets you clean large spaces uninterrupted.

## Lightweight High-Capacity Shake Out Bag

SC679

### Lightweight Performance

This 12.2-lb. upright with a 12" cleaning path and 30' cord lets you easily tackle large areas of carpet in commercial settings.

### Warranty

One-year warranty on parts and labor.

### Power

5 amps; 600 watts; 120 CFM

## High-Performance High-Capacity Shake Out Bag

SC684

### High Performance, Extended Motor Life

Re-engineered motor includes integrated bearings and an enclosed carbon brush system, resulting in a motor life more than double our previous long-life version and in reduced maintenance and downtime. Clean over large areas with the 50' cord.

### Brushroll with Replaceable Bristle Strips

Chrome, double ball-bearing brushroll with replaceable bristle strips means you save on maintenance costs.

### Power

7 amps; 840 watts; 145 CFM

## Durable High-Performance High-Capacity Shake Out Bag

SC886

### Durable High Performance, Extended Motor Life

Re-engineered motor includes integrated bearings and an enclosed carbon brush system, resulting in a motor life more than double our previous long-life version and in reduced maintenance and downtime. Tackle large areas without stopping to unplug with the 50' cord.

### Brushroll with Replaceable Bristle Strips

Durable chrome hood and a double ball-bearing brushroll with replaceable bristle strips means you save on maintenance costs.

### Quick Kleen Fan Chamber

The clear-cover fan chamber lets you view, service or access the impeller fan without removing the motor, reducing maintenance time.

### Power

7 amps; 840 watts; 145 CFM

## Wide Path High-Capacity Shake Out Bag

SC899

### Wide Path Performance, Extended Motor Life

Re-engineered motor includes integrated bearings and an enclosed carbon brush system, resulting in a motor life more than double our previous long-life version and in reduced maintenance and downtime. Clean large areas with 16" wide path and 50' cord.

### Brushroll with Replaceable Bristle Strips

Durable chrome hood and a double ball-bearing brushroll with replaceable bristle strips means you save on maintenance costs.

### Quick Kleen Fan Chamber

The clear-cover fan chamber lets you view, service or access the impeller fan without removing the motor, reducing maintenance time.

### Power

7 amps; 840 watts; 145 CFM

# DUST CUP UPRIGHTS

Dust Cup Uprights come with the Easy Release Dust Cup. Simply release the latches, pivot the upper bag back, and pull out the dust cup to empty.

## Lightweight Dust Cup Upright

SC689

### Durable Commercial Design

The 5-amp commercial motor, 30' cord and 1.9 qt. dust cup provide a powerful clean.

### Power

5 amps; 600 watts; 120 CFM

## Durable Dust Cup Upright

SC887

### Extended Motor Life, Dust Cup Upright

Re-engineered motor includes integrated bearings and an enclosed carbon brush system. Motor life is more than double our previous long-life version.

### Power

7 amps; 840 watts; 145 CFM

# CANISTERS

## QuietClean® Detail Cleaner

SC3700

### Durable QuietClean® Canister

3.88 qt. bagged canister operates at less than 68dBA for day or night time cleaning.

### Wide Assortment of Accessories

For cleaning bare floors, carpets and detailing commercial environments.

### Allergen Filtration

Helps improve indoor air quality.

### Lightweight, Durability

This commercial canister is easy to maneuver and built to last.

## Lightweight Detail Cleaner

SC3683

### Compact Portable Power

At just 10 lbs, this 2.6 qt., bagged canister can go anywhere.

### Tools for Extension

From the telescopic wand with deluxe floor and wall brush to the crevice tool and dusting brush, a tool for every need.

# SWEEPERS

## @Hand Sweeper

SC430

### 4-Brush Lightweight Manual Sweeper

Adapts to any carpet thickness and bare floors of all types. Goes places a plug-in unit can't.

### Collapsible Handle

Tilts flat to reach under furniture and makes storage quick and easy.

### Removable Debris Tray

Makes emptying quick and easy.

### Steel and Plastic Housing

Designed to withstand the rigors of commercial use.

## 32-Inch Wide Area Sweeper

SC435

### 4-Brush System and 32" Cleaning Path

Sweeps faster than a broom and picks up leaves, metal shavings, small pebbles and other debris.

### Corrosive-Resistant Housing

Can withstand the rigors of outdoor work.

### Fold-down handle for Easy Storage.

### 5 Levels of Brush Height Adjustment

Easily accommodate different surfaces and types of debris.

### Removable Hopper

The removable 12 gallon debris compartment hopper lifts out for easy emptying.

# FLOOR MACHINES

## 17-Inch Floor Machines

SC6010 & SC6030

### Steel Housings, Twin-Motor Capacitors

The 6010 has a 2-idler gear box and the 6030 has a 3-idler gear box.

### Triple-Planetary Action

Reduces user fatigue by quickly responding to user movements.

### Safety Shut-Off Switch

Helps keep users safe if they need to shut down fast.

## 12-Inch Floor Machine

SC6001

### Lightweight Power

This powerful, lightweight and compact machine is perfect for cleaning smaller and more confined areas.

### Adjustable Height Handle

The adjustable telescopic handle makes it a ergonomic cleaner for users of all sizes, and easy to transport.

## 20-Inch Floor Machine

SC6025

### 20" Diameter Cleaning Surface

Makes quick work of large spaces.

### Steel Housings, Twin-Motor Capacitors and a 3-Idler Gear Box

This a durable, high-performance cleaner you will use year after year.

### 2-Piece Handle

Creates a compact package for shipping and reduced inventory costs.

## 20-Inch High Performance Burnisher

SC6045

### Flexible Pad Driver

Provides full pad-to-floor contact that conforms to high and low spots to provide consistent results on uneven surfaces.

### All Metal Base, Handle Housing, Tube and Trigger Stand & Quick Connect Handle

This machine is built to last, and the Quick Connect Handle creates a compact package for reduced shipping and inventory costs.

# AIR MOVERS

## High Velocity Air Movers

SC6053 & SC6054

### Lightweight, Maneuverable, Powerful

Durable 3-speed performance dries carpets and floors fast with a velocity range up to 3,800 ft.<sup>3</sup>/min.

### Compact, stackable design

The stackable design and small footprint make it easy to store up to 4 units in a closet or corner.

### Power

5 amps; .5 HP; Velocity 3,800/3,350/2,700 ft.<sup>3</sup>/min.

## Precision Air Mover

SC6055

### 3 Speeds and 4 Drying Positions

Daisy-chain up to 4 units on one 15-amp circuit for fast, targeted drying power of floors and carpets. Axial fan pulls air in from above for the driest air. Velocity range up to 3,400 ft.<sup>3</sup>/min.

### Quiet Operation

Significantly lighter and quieter than our current air mover, the Precision Air Mover is the perfect choice for noise-sensitive settings.

### Power

2.8 amps; .5 HP; Velocity up to 3,400 ft.<sup>3</sup>/min.

### Lightweight

Only 18 lbs.

# BACKPACK VACUUMS

## 10Q QuietClean® HEPA Backpack

SC535

## 10Q QuietClean® BackPack

SC530\*

SC535 - Gold  
SC530 - Silver

### Washable Sealed HEPA Filtration

Makes the SC535A the ideal solution when indoor air quality is an issue.

### 10-Quart Capacity

Clean in comfort and extend your cleaning time between bag changes.

### Load Dispersion Harness

Harness design provides added comfort, balance, reduced heat dispersion and less user fatigue.

### QuietClean® Technology

At 62.5 dBA, these are ideal for locations where noise must be kept to a minimum.

### Convenient Tools

Both BackPack Vacs come with an assortment of tools and attachments to clean every surface.

\*Allergen Filter.

## 6-Quart BackPack

SC412

### 6-Quart capacity

Clean small- to medium-size spaces with the assortment of attachments offered by this carpet and bare floor cleaning backpack vacuum. Ideal for healthcare, education, hospitality and food service environments.

### 4 Levels of Filtration

Motor filter, cloth filter, paper bag filter and Allergen filter.

### Details

1.5" diameter curved aluminum wands, dusting brush, crevice tool and carpet and bare floor tools make this a versatile detail cleaner.

### 50-Foot Quick Change Cord

Means you can change a damaged cord rather than replace a vacuum.

# WET-DRY VACUUMS

## 16-Gallon Industrial Wet-Dry Vacuum

SC6065

### Rugged, industrial-grade design

Tested to last 500 hours, 8 times longer than conventional wet-dry vacuums. Commercial grade motor and corrosion resistant plastic withstand the rigors of commercial use.

### Quick-Clip Latch

Locks and unlocks tank, so liquids stay secure.

### Drain Cap

Allows for easy emptying of fluids.

### Onboard Tool Tray and Cloth Pouch

Holds the car crevice tool, round brush and 15" floor nozzle with 2 brushes.

### 4 Filtration Levels

Foam, cartridge, exhaust and pre-filter to better clean surfaces and air.

## 8-Gallon Industrial Wet-Dry Vacuum

SC6060

### Rugged, industrial-grade design

Tested to last 500 hours, 8 times longer than conventional wet-dry vacuums. Commercial grade motor and corrosion resistant plastic withstand the rigors of commercial use.

### Quick-clip latch

Locks and unlocks tank, so liquids stay secure.

### Drain Cap

Allows for easy emptying of fluids.

### Onboard Tool Tray

Holds the car crevice tool, round brush and 15" floor nozzle with 2 brushes.

### 4 Filtration Levels

Foam, cartridge, exhaust and pre-filter to better clean surfaces and air.

# EXTRACTORS

**Spot Clean  
1.5-Gallon  
Portable Extractor**  
SC6075

**Large Easy-Roll  
Wheels, 15-ft.  
Cord and  
Cleaning Wands  
for Upholstery/  
Floors**

Lets you move around easily to clean up spots on carpets, stairs, upholstery, drapes and vehicles.

#### **Spray Extraction CleanerWand**

Provides targeted spray/suction hose nozzle and wand for targeted extraction.

#### **Removable Solution and Recovery Tank**

Makes it easy to empty dirty water and replace clean water and solution for faster cleaning.

**Big Wheel  
Extractor**  
SC6085

#### **10" Transport Wheels**

Make it easy to load and unload into a truck bed or up/down stairs.

#### **10-Gallon Capacity, 4' Wand, 15' Hose and 100 PSI Water Pressure**

Lets you clean large carpeted areas in record time.

#### **Front-Mounted Switches**

Make it easy for the operator to find the right one.

#### **Front-Mounted Drain Hose**

Simplifies emptying and filling tanks.

**Big Wheel  
Heated  
Extractor**  
SC6088

#### **Hot Water Cleaning**

Break down dirt, grease and oil faster with hot water cleaning.

#### **10" Transport Wheels**

Make it easy to load and unload into a truck bed or up/down stairs.

#### **10-Gallon Capacity, 4' Wand, 15' Hose and 100 PSI Water Pressure**

Lets you clean large carpeted areas in record time.

#### **Front-Mounted Switches**

Make it easy for the operator to find the right one.

#### **Front-Mounted Drain Hose**

Simplifies emptying and filling tanks.

**Butler 3-Gallon  
Extractor**  
SC6092

#### **Small and Lightweight**

This 3-Gallon extractor is our smallest and easiest to maneuver in compact commercial areas and tight spaces.

#### **Hand-Mounted Solution Control and Light Weight Design**

Makes it easy to operate, even for novices.

#### **Compact Footprint and Folding Handle**

Make it easy to store and convenient to ship via ground freight.

**Self-Contained  
9-Gallon Extractor**  
SC6095

#### **Floating Brush and Fixed Vacuum Shoe**

Provides maximum recovery and cleaning power when you have a large area of carpet to clean.

#### **Large Wheels**

Make for easy balance and transport.

#### **18" Wide Cleaning Path and 9-Gallon Tank**

Means more cleaning in fewer passes, and fewer stops for emptying.

#### **Stainless Steel Brush Housing**

Provides durability over time for 18" chevron brushroll.

**SC80B  
Accessory Kit**  
For models SC6085,  
SC6088 and SC6095

**SC81B  
Accessory Kit**  
For models SC6085,  
SC6088 and SC6095

# AUTO SCRUBBERS

## 14-Inch Tag Along Scrubber

SC6200

### 14" Cleaning Path

Portable scrubber is designed to clean small- to medium-size bare floors in restaurants, small retailers, medical offices and classrooms.

### Cordless, Battery-Driven Machine

Operates quietly, so it can be used any time.

### Rechargeable Battery

Provides 80 minutes of run time.

### Intergrated Squeegee

16-inch intergrated squeegee reduces the need for an air mover.

### Cleaning Rate Capacity

11,300 sq. ft./hour

### Tank Capacity

3.5 gallon solution tank and 4 gallon recovery tank cover large areas.

## 20-Inch Cordless Scrubber

SC6205

### Cleans High-Traffic Areas Efficiently

20" cleaning path provides effortless cleaning of large spaces.

### Swift, Effortless Results

Impeccable design for small to large scrubbing jobs.

### Convenient Operation

The brush controls are activated by the conveniently placed foot pedal.

### Less Down Time

Long-running workhorse power cleans stores, cafeterias and medium to large areas for up to 5 hours of continuous running.

### Cleaning Rate Capacity

20,000 sq. ft./hour

### Tank Capacity

12 gallon solution tank and 13 gallon recovery tank cover large areas.

## 28-Inch Portable Scrubber

SC6210

### 28" Cleaning Path

Self-propelled brush scrubber with direct-drive provides straight tracking on slick surfaces for effortless operation.

### Cover 28,000 Sq. Ft. Per Hour

Just set the adjustable solution rate, and this walk-behind machine performs the work, leaving the floor clean, dry and ready for use.

### Up to 5 Hours of Run Time

Means less downtime, so you can clean malls, grocery stores and cafeterias for up to 5 hours before stopping to re-charge.

### Cleaning Rate Capacity

27,000 - 44,000 sq. ft./hour

### Tank Capacity

20 gallon solution tank and 20 gallon recovery tank cover large areas.

## 32-Inch Portable Scrubber

SC6220

### 32" Cleaning Path

Self-propelled brush scrubber with direct-drive provides straight tracking on slick surfaces for effortless cleaning of large spaces.

### Cover 32,000 Sq. Ft. Per Hour

Just set the adjustable solution rate and this walk-behind machine performs the work, leaving the floor clean, dry and ready for use.

### Up to 5 Hours Run Time

Clean malls, grocery stores, cafeterias and other large areas for up to 5 hours.

### Cleaning Rate Capacity

30,000 - 47,000 sq. ft./hour

### Tank Capacity

20 gallon solution tank and 20 gallon recovery tank cover large areas.

54508-2	Kit includes all necessary components of an E-Z Kleen dirt cup assembly	SC600, SC800 Series

## OUTER BAGS & HARDWARE

	Description	Compatible Model(s)
54582-1	Red Tie-Tex shakeout	SC600, SC800 Series
54582-2	Black Tie-Tex shakeout	SC679
54422-6	Red upper bag for dust cup assembly	SC689, SC887
54422-7	Black upper bag for dust cup assembly	SC689, SC887
53469-25	Outer bag	SC9050
53469-23	Dual zipper assembly (Includes dirt tube 77491)	SC678, SC688, SC883, SC888
53506-7	Black shakeout conversion to zippered bag	SC679
53506-8	Red shakeout conversion to zippered bag	SC600, SC800 Series

## SUPPLY CORDS

	Description	Compatible Model(s)
76224	50-ft. Extension cord-Grey	SC881, SC882, SC883, SC889, SC9150, SC9180
76224-2	30-ft. Extension cord-Grey	SC881, SC882, SC883, SC889, SC9150, SC9180, SC9050B
76225-355N	Cord Lock	SC881, SC882, SC883, SC889, SC9150, SC9180, SC9050B
52370-17	30-ft. Cord and terminal assembly	SC600, SC800 Series
52370-18	50-ft. Cord and terminal assembly	SC600, SC800 Series

# AUTO SCRUBBERS PARTS & ACCESSORIES

SC6200

Description	
16468CP	Pad Driver 14" w/Clutch Plate
16467CP	14" Poly Brush PAS14G 1-3/8" Trim w/Clutch Plate
16511CP	Floor Pad Red Spray Buff 14" (5 per case)
16922CP	Battery (2 required)
16463CP	Squeegee Blade
17046CP	Charger

SC6210

Description	
16499CP	Front Squeegee Blade
16500CP	Rear Squeegee Blade
16501CP	Pad Driver (2 x 14" = 28")
16502CP	Nylon Grit Brush (2 x 14" = 28")
16503CP	Poly Scrub Brush (2 x 14" = 28")

SC6205

Description	
16493CP	Front Squeegee Blade
16494CP	Rear Squeegee Blade
16495CP	Pad Driver (20")
16496CP	Tynex Brush (20")
16497CP	Nylon Brush (20")
16569CP	Battery (2 required)

SC6220

Description	
16504CP	Front Squeegee Blade
16505CP	Rear Squeegee Blade
16506CP	Pad Driver (2 x 16" = 32")

SC6210/  
SC6220

Description	
16498CP	Charger
16509CP	Battery (4 required)

**Time is money, so choose a Sanitaire Auto Scrubber that fits your cleaning challenge.** Pictured (L-R): 20-Inch Cordless Scrubber (SC6205), 28-Inch Cordless Scrubber (SC6210), 14-Inch Tag Along Scrubber (SC6200). Not pictured: 32-Inch Cordless Scrubber (SC6220).

With the right auto scrubber and auto scrubber parts, bare floor cleaning can be quick and easy. Without them, you are stuck with time-consuming work that involves messy mops, buckets and perhaps a few air movers. Fortunately, there is a better way.

Sanitaire's time saving auto scrubbers and auto scrubber parts and accessories are designed to help you get the job done on time, every time.

# VACUUM FEATURES & BENEFITS

## CRI Seal of Approval

Require a higher level of filtration? CRI certification signifies a superior cleaning vacuum that has passed stringent testing for soil removal, dust containment and carpet appearance retention.

## Promise of Performance

The Sanitaire Promise of Performance Warranty covers parts, materials, workmanship and labor for a full two years. It is backed by a network of more than 1,200 warranty service centers across the United States.

## L.E.E.D. Program

Sanitaire is a member of the U.S. Green Building Council which developed the Leadership in Energy and Environment Design (LEED) program. LEED vacuums are CRI approved and operate at a sound level below 70dBA. All QuietClean™ models are LEED Compliant.

## Quick Klean Fan Chamber

This clear polycarbonate cover allows you to view, service or access the impeller fan without removing the motor, saving time and reducing maintenance time.

## Extended Motor Life

We have re-engineered our motor to include integrated bearings and an enclosed carbon brush system. These enhancements result in a motor life of more than double that of our previous long-life version, and in reduced maintenance and downtime.

## True Balance Brushroll

Made from select hard maple, this double ball-bearing brushroll stays balanced and provides superior cleaning with smooth, quiet operation.

## Washable Sealed HEPA Filtration

Sanitaire Washable Sealed HEPA vacuums capture 99.97% of all particles down to 0.3 microns. With Sanitaire Sealed HEPA models, you not only clean the carpet more efficiently, but also emit filtered air back into the room.

## Vibra-Groomer Brushroll

This tough, chrome-steel, double ball-bearing brushroll is built to withstand commercial use. Choose from all-bristle or bristle/beater bar combination. Why replace the brushroll? Save costs with replaceable bristle strips.
